Title 63. Public Health and Safety

Oklahoma Statutes Citationized

Title 63. Public Health and Safety

Chapter 1 - Oklahoma Public Health Code

A-2. Emergency Medical Services for Children Resource Center Act

Article Article 7 - Hospitals and Related Institutions

Section 1-706.11 - Recognition as Resource to State's Overall Emergency Medical Services System

Cite as: O.S. §. __ __

A. The Oklahoma Emergency Medical Services for Children Resource Center, operated within the Department of Pediatrics through its Section of General Pediatrics and within the University of Oklahoma College of Medicine, shall be recognized by the **State Department of Health** as a resource to the state's overall emergency medical services system, thus ensuring that children have access to quality pediatric emergency medical services, including, but not limited to, prehospital and hospital care.

B. As funds are available, the **State Department of Health** may contract with the Center for the implementation of this act.

Historical Data

Laws 1995, SB 433, c. 194, § 2, eff. November 1, 1995.
